

**ITS Reisen** plans to expand in 2013, the promotion of **Romania** with a **brochure** distributed to countries like Germany, Austria and Switzerland, announced on Tuesday the Ministry of Regional Development and Tourism (MDRT).

The **brochure** will present destinations and tourism products specific to **Romania**. Delta, cultural circuits, and active tourism and nature tourism are the main forms that will appear in the **brochure** de

icated to  
**Romania**

The catalog, which will be printed this fall, will be distributed next year by about 2,500 agents selling products STIs in Germany, Austria and Switzerland. At the same time, **Romania** will continue to appear in the catalog "City Trips" of tour operators to destinations like Bucharest and Sibiu.
