If during the period 2000-2009, constructions have sprouted like mushrooms on the Biosphere Reserve's territory, the owners, especially those who are under pressure from bank loans, do not know how to get rid of them.

In the hope of a large flow of **tourists**, a lot of businessmen have built, acquired or expanded **hostels**

in the Danube Delta area, investing large sums of money in their businesses and for the **tourists**

's comfort. Unfortunately, the recent years have been mostly misfortunate for this piece of heaven, hit by the bird flu, by flooding and the worst of all by the economic crisis.
